Washington, Jan. 29.—A big cabinet shift will take place early in President Wilson's second term, it was learned today. This will be in addition to the diplomatic shake up which will take place about March 4 or very soon thereafter.

Sec'y of Agriculture Houston will leave his post probably in the summer, it is reliably stated.

Sec'y of Commerce Redfield will accept a position with a large manufacturing concern in the early fall and Sec'y McAdoo will enter private business about the same time.

As successors, Carl Vrooman has been mentioned for Houston's place and Representative Carter Glass for the portfolio now held by Sec'y McAdoo.

New York, Jan. 29. — Mrs. Margaret Sanger, sister of Mrs. Ethel Byrne, will go to trial in special sessions, Brooklyn, today, charged with circulating birth control information, the same charge on which Mrs. Byrne is serving sentence of 30 days and led to her hunger strike. Five hundred babies, wheeled and carried by their mothers, will escort Mrs. Sanger to court, she announced, and will accompany her to a mass meeting at Carnegie hall after court.

Mrs. Sanger expects to be convicted. She will not deny having distributed birth-control information. Miss Fania Mondell, an associate, also will be placed on trial and also expects to be convicted.

Mrs. Sanger and her associate, have promised to hunger strike. They have declared they will neither eat nor drink. Correction Commissioner Burdette C. Lewis, however, declares there will be no waiting for Mrs. Sanger to become weakened. Prison officials says she will be fed after two days if she becomes a hunger striker.
